Financial Policy

Welcome to our office. We are very pleased that you have chosen our practice, and we will do our utmost to serve all of your dental needs. In order to help us keep the fees we charge as low as possible, we would like to take this opportunity to present our financial policy to you. If you have any questions or concerns, please feel free to voice them with a staff member.

- *All fees are due and payable at the time services are rendered .*
- *We require a minimum of twenty-four hours notice for any cancellations. Should an appointment not be kept, there will be a charge imposed commensurate with the length of the scheduled appointment.*
- *We accept cash, personal checks, MasterCard, Visa, American Express and Discover as payment.*
- *We offer Care Credit, Chase Health Advance Financing Option and Spring Stone Patient Financing. We will be happy to assist you in your application process as we do not offer in house financing.*
- *For patients with insurance coverage, if the insurance benefits are known to us and all deductibles are satisfied, we will offer "courtesy of assignment", meaning the responsible party, will need to pay the amount of money we estimate* the insurance company will not reimburse.*

**If the insurance company's reimbursement to the office is less than originally estimated, the balance will be due and payable from the responsible party, within 10 days after receipt of the insurance company's check.*

We appreciate your cooperation. With your help, we will be able to continue to provide the best service at the least possible cost.

Again, welcome to our practice.
